

### § 310.135

The Secretary or designee must approve the plan amendment before approving any additional funding.

(f) *Obtaining Federal funds.* Tribes and Tribal organizations will obtain Federal funds on a draw down basis from the Department's Payment Management System.

(g) Grant administration requirements. The Tribal CSE program is subject to the grant administration regulations under 45 CFR part 92.

### § 310.135 How long do Tribes and Tribal organizations have to obligate and spend CSE grant funds?

(a) A Tribe or Tribal organization must obligate its CSE grant funds by the end of the budget period for which they were awarded. Any funds that remain unobligated at the end of the budget period for which they were awarded must be returned to the Department. A Tribe or Tribal organization must estimate in its refunding application any amounts that may be unobligated at the end of the current budget period. In its fourth quarter financial report for a budget period, a Tribe or Tribal organization must indicate the exact amount of any funds that remained unobligated at the end of that budget period. The Department will reduce the amount of the Tribe or Tribal organization's grant award for the budget period for which any unobligated funds were awarded by the amount that remained unobligated at the end of this budget period.

(b) A Tribe or Tribal organization must liquidate obligations by the last day of the 12-month period following the budget period for which the funds were awarded and the Tribe or Tribal organization obligated the funds, unless the Department grants an exemption and extends the time period for liquidation. Funds that remain unliquidated after the time period for liquidation has expired must be returned to the Department. Tribes and Tribal organizations may request an exemption to this rule based on extenuating circumstances. A request for an exemption must be sent to the OCSE grants officer listed on the most recent grant award and must be made before the end of the time period for liquidation; such requests are subject to approval by the

Department. If any funds remain unliquidated at the end of the maximum time period for liquidation, the Department will reduce the amount of the Tribe or Tribal organization's grant award for the budget period for which any unliquidated funds were awarded, by the amount that remains unliquidated at the end of the liquidation period. Repeated failure by a Tribe or Tribal organization to liquidate obligations in a timely way would result in the Department's reexamination of the program budget development process and could result in action to address financial systems deficiencies.

### § 310.140 What are the financial reporting requirements?

(a) A Tribe or Tribal organization operating a Tribal CSE program must submit a Financial Status Report, Standard Form 269, quarterly. The Financial Status Reports for each of the first three quarters of the budget period are due 30 days after the end of each quarterly reporting period. The Financial Status Report for the fourth quarter is due 90 days after the end of the fourth quarter of each budget period.

(b) A Tribe or Tribal organization operating a Tribal CSE program must submit the "Child Support Enforcement Program: Quarterly Report of Collections" (Form OCSE-34A), or such other report as the Secretary or designee may prescribe, quarterly. The reports for each of the first three quarters of the budget period are due 30 days after the end of each quarterly reporting period. The report for the fourth quarter is due 90 days after the end of the fourth quarter of each budget period.

(c) A Tribe or Tribal organization operating a Tribal CSE program must submit a report on the liquidation of its CSE obligations, using the Financial Status Report, Standard Form 269. The liquidation report is due 30 days after the end of the maximum period for liquidation of obligations, or 30 days after all grant funds are liquidated, whichever is earlier.
